Collect

Keep us, O God, from pettiness, let us be larg
in thought, in word, in deed.
Let us be done with faultfinding and
leave off self seeking.
May we put away all pretense and meet
each other face to face without self pity
and without prejudice.
May we never be hasty in judgement and
always ~~be~~ generous.
Let us take time for all things, make us
grow calm, serene and gentle.
Teach us to put into action our better
impulses, straightforward and unafraid.
Grant that we may realize it is the little
things that create differences, that in
the big things of life we are one.
And may we strive to touch and to know the
great common human heart of us all and O
Lord God let us forget not to be kind.
